

## *EAA Volunteer Activity to Benefit Future Women Engineers*

*Starts May 8, 2006*

**What:** Re-design and teach the “Engineers as Problem Solvers” module in UH GRADE Camp for high school girls (<http://www.egr.uh.edu/grade/>).

**When:** Re-design (May 8 - Jun 8); Teach (2 hrs on Jun 19, Jun 26, Jul 10 or Jul 17)

**How:** Use your creativity and engineering experience to design and/or teach an interactive GRADE Camp module emphasizing the idea that engineers are problem solvers. Dr. Julie Trenor (UH WELCOME Program Director) and Jenny Ruchhoeft (UH GRADE Camp Director) will provide guidelines and learning objectives for the session.

**How:** If you can not volunteer your time but want to help in another way, make a tax deductible donation (\$\$\$) to support the UH WELCOME Program for female UH engineering students (<http://www.egr.uh.edu/welcome/>).
