

UH ENGINEERING COMPLEX

Main Campus

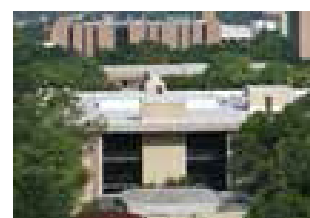

Energy Research Park

Energy Research Park (ERP)

- Petroleum Engineering
- Severe Storm Prediction, Education and Evacuation from Disaster Center (SSPEED)
- National Wind Energy Center
- National Center for Airborne Laser Mapping (NCALM)
- Texas Center for Clean Emissions, Engines & Fuels (TxCEF)
- Energy Device Fabrication Laboratory

South Park Annex

Engineering Building 1

Chemical & Biomolecular Engineering
Civil & Environmental Engineering
Electrical & Computer Engineering
Mechanical Engineering
Career Center

Engineering Building 2

Dean's Office
Industrial Engineering
Undergraduate Programs
Sponsored Research
Communications
Engineering Computing Center

Science & Engineering Research Building (SERC)

Biomedical Engineering

General Information

Mail: University of Houston
Cullen College of Engineering
E421 Engineering Bldg 2
Houston, TX 77204-4007
Email: info@egr.uh.edu

Engineering Building 1

3	Career Center.....	302
	Electrical & Computer Engineering.....	N308
2	Chemical Engineering.....	S222
	Petroleum Engineering	
	Mechanical Engineering.....	N207
	Aerospace Engineering	
	Subsea Engineering	
1	Civil & Environmental Engineering.....	N107
	Environmental Engineering	
	Geosensing Engineering*	
	Lecture Hall.....	102
B	Lecture Hall.....	N61

Engineering Building 2

4	Dean's Office	E421
	External Relations & Strategic Partnerships	
	Graduate Programs & Computing Facilities	
	Development	
	Business Administration	
	Research & Facilities	
	Sponsored Research	W438
3	Communications.....	E301
	PROMES.....	E316
	Undergraduate Programs.....	E316
2	Industrial Engineering.....	E206
1	Engineering Computing Center.....	W129
	Lecture Hall.....	W122

**Geosensing Engineering in Cullen Performance Hall*
