G.R.A.D.E. CAMP 2018

JUNE 11 - 15 | 1,000 COMPACTS & COUNTING! | JUNE 18 - 22

2003 - 2018

DESIGN CREATE PROGRAM ENGINEER

GRADE Camp is a week-long day camp designed to help 8th to 12th grade girls discover what engineering is all about through "hands-on" experience. Not only will these girls gain valuable engineering knowledge and experience working in teams, but will also have a great deal of fun!

GRADE Camp includes exciting interactive labs that incorporate engineering principles to help girls design, build and program a Lego[®] robot to navigate through a maze! Girls will interact with local female engineers, faculty and college students to find out about engineering and learn specific to females pursuing engineering.

☎ \$1000 per day for 6-800 per daily

Camp fees are \$1000.

FOR MORE INFORMATION, PLEASE VISIT www.egr.uh.edu/grade

OR CONTACT THE GRADE Camp DIRECTOR AT grade@egr.uh.edu

This event is hosted by UNIVERSITY of HOUSTON ENGINEERING

[2]

G.R.A.D.E. CAMP is a week-long day program designed specifically for entering 8th to 12th grade girls who want to find out what engineering is all about through "hands-on" experience. G.R.A.D.E. CAMP emphasizes career exposure rather than career choice, so you can come just to experience something new.

Not only will you gain valuable engineering knowledge and experience working in teams, but you will also have a lot of fun! By the end of Camp, you will have gained valuable insight from Houston-area female engineers and engineering students and you will have designed your own robot that can make its way through a maze!

Who sponsors G.R.A.D.E. CAMP?

G.R.A.D.E. CAMP is sponsored through industry support from ExxonMobil, Halliburton, BP and Fluor.

The University of Houston is an Equal Opportunity/Affirmative Action institution. Minorities, women, veterans and persons with disabilities are encouraged to apply.
