Starting May 2018, the University Commencement ceremonies will carry the title "University Commencement" but also identifying individual participating colleges. With the expanding number of graduates at each ceremony, nothing is more important than allowing each student to walk across the stage and be individually recognized by name among the applause of his or her family and friends.

Undergraduate Students: Graduating with Academic Honors

Academic honor is determined upon final completion of all degree requirements.

Undergraduate students who complete their degree requirements under catalogs beginning in Fall 2010 will graduate with the stated academic honors if they achieve the following grade point averages earned in the last fifty-four (54) hours (all of which must be A, B, C, ? letter grade courses) completed at the University of Houston. Grades of S, U, I and W are not assigned grade point values and are not used in the computation of the grade point average. (See Catalog for Honors [12].)

<table>
<thead>
<tr>
<th>Grade Point Average</th>
<th>Honor Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.90 to 4.0</td>
<td>Summa Cum Laude (with highest honors)</td>
</tr>
<tr>
<td>3.70 to 3.89</td>
<td>Magna Cum Laude (with high honors)</td>
</tr>
<tr>
<td>3.50 to 3.69</td>
<td>Cum Laude (with honors)</td>
</tr>
</tbody>
</table>

Further, the honors calculation will include all hours completed in the semester in which the first of those final fifty-four (54) hours was completed.

Undergraduate Students: Walking with Academic Honors at University Commencement

For the graduation ceremony, the final semester is not factored into the calculation because final semester grades are not completely posted until after the ceremony.

Honors announced during the graduation ceremony are calculated using the last 54 hours less the number of hours taken in the final semester.

After the graduation ceremony and when final semester grades are fully posted then honors eligibility is recalculated using the final 54 hours. This will then be the official honors if any that will be listed on the transcript and diploma.

Commencement Program

Unless privacy protected, all student names will be included in the Commencement Program regardless of participation. Every effort is made to include the names of all official graduates in the printed Commencement Program. We also will include any honors earned by the student. However, please be aware that the program is not an official document with regard to eligibility for graduation or any honors conferred. Inclusion of a name in the program is not a guarantee of graduation or honors.

Photography

There will be a professional photographer on stage during the ceremony who will take photos of each graduate. You will receive proofs at the mailing address on your walk card. You will then be able to order photos directly through the commercial firm. The website link for the professional photographer: www.flashphotography.com [13]. Please ask your family and guests to take their photographs from their seats or before/after the ceremony. The Fire Marshall asks that we keep the aisles of the Hofheinz Pavilion clear at all times.
Diplomas

Degrees will not be posted to transcript until the college checks your Spring 2018 grades.

Allow about 6 to 8 weeks from May 11, 2018 for Spring 2018 grades to be checked, degrees to post to transcripts and diplomas to be mailed.
