PRIVACY POLICY

- Typically, we do not use cookies to collect information on the engineering web server (www.egr.uh.edu).
- If you send us an electronic mail message with a question or comment that contains personally identifying information, or fill out a form that sends us this information, we will only use the personally-identifiable information to respond to your request and analyze trends. We may redirect your message to another government agency or person who is in a better position to answer your question.
- For site management functions, information is collected for analysis and statistical purposes. This information is not reported or used in any manner that would reveal personally identifiable information, and will not be released to any outside parties unless legally required to do so in connection with law enforcement investigations or other legal proceedings.
- We use log analysis tools to create summary statistics, which are used for purposes such as assessing what information is of most interest, determining technical design specifications, and identifying system performance or problem areas.
