

## MEDICAL DEVICES INTERNSHIPS AVAILABLE

## LEARN, EXPERIENCE, AND TAKE PART IN THE BIOTECHNOLOGY INDUSTRY!

### **Fannin Innovation Studio is hiring interns who want to:**

- Gain hands-on experience with early-stage medical device commercialization
- Help advance the development of cutting edge biomedical technologies
- Thrive in the growing life sciences and biotechnology ecosystem in Houston

### **Who we are:**

Fannin Innovation Studio is a life science and medical device development group located in Houston's Highland Village area. We manage and develop a rapidly growing portfolio of biomedical and device technologies.

### **Who we are looking for:**

- Late-stage graduate engineering or medical students
- Able to commit 4 months for a paid internship (stipend provided for those legally authorized to work in the U.S.A.)

**Please submit a 1-2 page resume & a 1 page statement of interest via our online form.**
