GOLF TOURNAMENT

2020

ARRIVE AT 12 PM

to check in and practice a bit. This scramble tournament gets off to a shotgun start at 1:30 pm.

PARTICIPATE

- as an **individual player: \$180 (1 player)**
- as a **corporate sponsor: \$800 (4 players)**
- as a **hole sponsor: \$300 (1 tee sign)**

Special sponsorships are also available (title sponsor, beverage cart, prizes, auction items & many other opportunities).

If you can't take the day off to golf, make reservations to join us for dinner at 6:00 pm. **The cost is \$25.**

PLAY

in the University of Houston Engineering Golf Tournament and have a good time with friends while supporting UH Cullen College of Engineering academic programs. Individuals and teams are welcome. To arrange for a student to play on your team, contact:

Lauren Sposato

at 832.842.6159

or lsposato@central.uh.edu by March 16

ENJOY

the company of friends on the course, then help yourself to dinner, a cash bar and more fun as door prizes and awards are presented.

DEAN'S CUP

Teams representing different departments in the college will compete to have their names engraved on the Dean's Cup trophy which is displayed in the UH Cullen College of Engineering Dean's Office. In addition, the winning team will receive \$1,000 in discretionary funds that are awarded to the winning department.

To be eligible, teams need to have at least one member affiliated with their department of choice. This may be an alumnus/alumna, student, faculty or staff member. Teams without a direct affiliation to a department will be free to choose a department to represent. Individual entrants will be placed on teams that represent their discipline.

BEYER DRIVE

Join us in celebrating Charles Beyer (BSCE '72, MSCE '77), distinguished alumnus and dedicated supporter of the UH Cullen College of Engineering. One "Beyer Drive" may be purchased for \$20 per team at the registration table prior to tee-off. The "Beyer Drive" assumes that "Beyer" hit your first shot and allows teams to skip the tee box and proceed to the designated area where they will hit their second shot.
