PAVER ENGRAVING GUIDELINES

Each line is 18 characters in length; the 4 by 8 brick can contain a total of three lines and the 8 by 8 paver can contain a total of six lines. A character includes all letters, punctuation and spaces. Each line must end in a full word (words or names will not be hyphenated and continued on the next line). Please write legibly and carefully, indicating within each box whether the letter is to be upper case or lower case. You may purchase as many bricks/pavers as you like. Please complete one form per brick/paver which you wish to have engraved. Please be sure to fill out both pages completely so we can contact you if we have any questions about your inscription. Thank you for your generous support.
