# I WANT TO MAJOR IN ENGINEERING

”

## Q&A

### Engineering Transitional Information Sessions

Non-engineering students needing information concerning transfer and change of major admissions may attend the Engineering Transitional Information Session.

We will discuss courses required and the specifics of what the UH Cullen College of Engineering wants to see in students to qualify.

**Sessions will be held from 2-3pm on Fridays in Room L2, Building D2.**

For updated dates/times, please check [www.egr.uh.edu/students/information-sessions](http://www.egr.uh.edu/students/information-sessions)
